

Things You Should Know About Us... and Our Unique Service —Our Easier Way to Change Jobs System.

We've spent several years creating a copyrighted job changing system that makes job hunting a lot easier. Developed over years of private work with 20,000 job seekers worldwide, it also took an investment of millions of dollars.

Previously, our founder's books, audios and videos on job hunting had been used by millions of people. But with 30 million resumes out there, some bold new ideas were called for.

Here's What's Special About Our Easier Way to Change Jobs System.

- (1) It let's people select from 25 ways to get interviews, and use what's most comfortable for them. It also explains exactly how to use what they select.
- (2) It then supplies exciting new style resume samples that have worked at all income levels. They are remarkably easy-to-copy and adapt.
- (3) It also gives people great letter samples that have worked at incomes from \$60,000 to \$750,000. 10 situations are covered and they are very easy-to-use.
- (4) Each person's competitive interviewing skills can also be lifted dramatically.
- (5) Our system also provides solutions for key personal situations. For example.
 - What to if they become unemployed... or need to change careers.
 - How to handle age concerns, not having the right background and more.
 - How to uncover all marketable assets... or change industries.
 - How to sell your transferable skills... and give people a new view of you.
 - How to search long distance or internationally... and many more.

Here's How Our System Works.

It is simple, self tailoring and highly affordable for anyone... seeking any income level.

- Our system comes in 70 online Briefing Reports, covering all job hunting topics. At 10-12 pages each, in color and illustrated, people just use what they need.
- People also get online, our AUDIO VERSION, if they prefer to learn by listening.
- And, they get 4 online quick reference books covering system highlights. At 100 pages, in color and illustrated, they can be instantly downloaded worldwide.

Everything is accessible for 12 months, including updates and additions.

- Printed editions of our 4 quick reference books, containing the key points of our system, are also available in color and illustrated for easy reading.
